

Summer School – For Deficiency Removal

Instructor: Ms. Cyndi Dumas

Questions or concerns: Please e-mail Ms. Dumas at cyndi.dumas@bishopllynch.org

Registration: Classes will begin June 4th and run through June 27th. Tuition is \$425. Please contact Mr. Randy Becker for information on registering your student for this course. His e-mail is randy.becker@bishopllynch.org.

Course Structure: This year the course will be completed on-line through Blackboard. Students should see Ms. Dumas before the end of spring semester final exams to receive the novels for the summer program. Students should plan to spend 3-4 hours daily working on this course, as they would if they were coming in for a regular summer school class. Because tests/final exam will be completed online, the expectation is that students will complete them with no outside notes/study guides/materials.

Topics to be covered: Students will focus on vocabulary, the novel, writing development, and grammar.

Supplies:

Note-taking materials for on-line lessons
